We ask all guests that haven't dived for a year to complete a Scuba Review on their first day. This is a 3 part program, first is a full review of diving theory with Instructor elaboration. This is followed by a run through of the skills in the shallows of the bay, and then you have a supervised open water dive on the house reef. **The cost is 95 Euro and includes full diving equipment.**

We ask all guests that have never dived in the Red Sea before or that have not dived within the last 6 months to complete a Check Dive. The Check dive will consist of 4 or 5 skills before continuing on with a standard dive. **The cost for a Check Dive is 35 Euro.**

All divers must present a valid certification card and logbook. Any one not in possession of a log book will need to make a minimum of a orientation dive
